

Confirmation – External Research Practical course (completed at the Faculty of Biology or the medical Faculty of the LMU)

I herewith certify that the student:

Name of student	
-----------------	--

Has completed a research course in my institute or lab regarding the research course guidelines (8 weeks full-time lab work without payment (10 ECTS-Points)) and based on the five main topics of the Master’s Program Human Biology – Principles of Health and Disease, with the title:

Title research practical	
--------------------------	--

The student has written a lab report (10 – 15 pages) and has held an oral presentation (30 minutes, 2 ECTS-Points) within our journal club.

Name of the external habilitated supervisor (head of institution) and name of the principal investigator:

Name principal investigator	
Name head of institution	

The grades are:

Grade written report (research practical)	
Grade oral presentation (seminar)	
Grading scale	1,0; 1,3; 1,7; 2,0; 2,3.....4,0

Date:

Institution:

Signature, habilitated supervisor (head of institution):

Fill out by the coordination office:

This research practical should be counted for the following module:

Nr	Title	x	Signature
WP 3	Cell Biology, Stem Cells and Epigenetics		
WP 4	Molecular Microbiology and Infection Biology		
WP 17	Neurosciences		
WP 18	Molecular Oncology		
WP 19	Cardiovascular, Lung and Metabolism
